INTERLOCK SERIES™

A modular seating system designed with people in mind.

modular linked
FOR WAITING ROOMS AND COMMON AREAS

Shown in Lustre (LU19) Pyrite Vinyl

Interlock's inviting appearance brings people together with its comfortable and supportive features to choose from: A single, two or three seater • Full arms to the floor or to divide the seats • A selection of arms and finish options • Upgrade to a wonderful wood frame complete with unique designs. Interlock provides a complete package with its complimentary seating, benches and tables.

Interlock is the ideal modular linking system for any hospital or long term care facility with its variety of components that will create almost any configuration imaginable. With the availability of a square, 45° or 90° table you can create a simple or complex configuration that is sure to fit small or large rooms and reception areas. Interlock can be designed with or without arms, depending on your need. Leg posts may not be needed on inner seats which allow for easier cleaning. Interlock allows you to create a personal modular linking system that best suits your individual needs.

Occasional Tables:

GC4108C Round Table
in Avant Maple (W358)

GC4109R Rectangular Table
in Avant Maple (W358)

GC4108SMR Square Magazine Table
in Avant Maple (W358)

INTERLOCK SERIES™

A modular seating system designed with people in mind.

modular linked
FOR WAITING ROOMS AND COMMON AREAS

Seating:
Interlock is also available in an all wood version with either an open, fluted or linear style option. The warm wood detail is ideal for long term care facilities. Interlock chairs are available in a huge variety of healthcare compliant fabrics and vinyls designed to protect against bacteria without sacrificing its design appeal.

Benches:
Interlock benches are available in single, 2 or 3 seater frames that can be used as a stand alone bench or can connect to seating, bench or table options to create additional design configurations.

Tables:
Occasional tables are available in round, square and rectangular shapes. Square and rectangular tables are also available with a lower magazine rack. All table tops are available in high pressure laminate.

Product Design: James Hayward
